

## Dangerous to Love

Dangerous. Wild. Reckless. Those were the words that passed through Serena Ward's mind at the moment Julian Raynor entered the gaming Hall. If anyone could penetrate Serena's disguise as a tart and jeopardize the political fugitives she was delivering to freedom, it would surely be London's most notorious gamester. Yet when the militia storms the establishment in search of traitors, Raynor provides just the pretext Serena needs to escape to an upstairs bedroom. But Serena is playing with fire...and before the night is through she will find herself surrendering to the heat of unsuspected desires. Seductive. Fiery. Treacherous. She had used him for her own scheming purposes, then thrown his generous proposition back in his face. Julian Raynor, a man who had ruthlessly enjoyed his share of women, did not much care to have the tables turned on him. And when he discovered that the passionate beauty who had played his wonton prisoner in bed was none other than Serena Ward, the proud daughter of his bitterest enemy, he saw his chance for revenge not only on the man who had single-handedly destroyed his family but on the woman who haunted his dreams.
