

Truly: A Loveswept Contemporary Romance (The New York Trilogy)

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNALRITA finalist and New York Times bestselling author Ruthie Knox kicks off a steamy new series set in the city that never sleeps alone, at least. May Fredericks hates New York. Which is fair enough, since New York seems to hate her back. After relocating to Manhattan from the Midwest to be with her long-distance boyfriend, NFL quarterback Thor Einarsson, May receives the worlds worst marriage proposal, stabs the jerk with a shrimp fork, and storms off alone only to get mugged. Now shes got no phone, no cash, and no friends. Hows a nice girl supposed to get back to safe, sensible Wisconsin? Frankly, Ben Hausman couldnt care less. Sure, its not every day he meets a genuine, down-to-earth woman like May especially in a dive in the Village but hes recovering from an ugly divorce that cost him his restaurant. He wants to be left alone to start over and become a better man. Then again, playing the white knight to Mays sexy damsel in distress would be an excellent place to start if only he can give her one very good reason to love New York. Praise for Truly Knox writes such sultry, detailed romance. The sexual tension and the sex itself are very hot... . Highly recommend this story. Smexy Books Truly is another Knox classic. Well written, heartwarming, sweet, super sexy with a dash of heartbreak and soul-searching, I devoured this fabulous story... . An absolutely fabulous read about two imperfect people ... I cant wait to see what Ruthie Knox will come up with next. The Brunette Librarian Knox is rapidly becoming my go-to author for excellent contemporary romance, providing all of the necessary components to a great read: accessible characters, solid plot, well-paced events and a whole lotta steam. And she delivers it all here... . Knox is amazingly talented at incorporating

emotion with the physical that fairly sizzles with heat. I strongly encourage readers to immediately read this wonderful book. Pretty Sassy Cool Knox is an incredible writer. She has the gift of making ordinary people larger than life. She adds a special blend of humor, creative dialogue, unique characters, and an interesting plot with its own magical flare... . These two vastly different people will discover the magic of life, love, and happiness in a new way... . They will console each other about their past failures, cheer each other on, and find their chemistry is much more than sexual... . I highly recommend this book. Smut Book Junkie Book Reviews Well written and my favorite Ruthie Knox book to date, Truly is a powerful story and an amazing journey of self-discovery with a sexy love story thrown in for good measure! Guilty Pleasures Book Reviews Truly is one of those stories that just got under my skin and into my heart... . Its not just a romance, its a story of two people finding a new path at those crossroads in life we all have to face from time to time. And while the romance between Ben and May is hot and intimate, it is their individual discovery of the path into their future that really hit home with me. This was the story that made me a Ruthie Knox fan for life. If you havent read it, I wholeheartedly recommend it. The writing is top notch and the story is interesting, fast paced and has very unique characters. Red Hot + Blue Reads From the eBook edition.
