

## Small Town Christmas (Serendipity, Indiana Book 1)

USA Today Bestselling Author Magdalena Scott invites you to Come to Serendipity, and believe in the magic of Love. Melissa is moving back to Serendipity, Indiana to raise her young son and run her new business in spite of her own painful childhood, and the fact that the man who broke her heart years ago still lives in their hometown. With his dad's death, the work of the family Christmas tree farm has fallen to Jim Standish. But how can he hold everything together for the sake of his grieving family, when his own secrets are pulling him apart? When a new tragedy puts Melissa and her son in closer contact with the Standish family, ignoring the past is no longer an option. Everyone involved will have to move forward--but how? This is a wholesome, heartwarming story about second chances: facing difficulties of the past and not only moving on, but becoming stronger because of them. It's about coincidences in life that may be more than that. A sweet little boy, and a delightful touch of Christmas magic make Small Town Christmas a story that ends on a sigh!
