

## Magic and the Modern Girl (The Jane Madison Series) (Volume 3)

In this humorous paranormal novel, librarian-witch Jane learns a magical lesson the hard way: use it or lose it! Her neglected powers are disappearing before her eyes, her sexy warder David Montrose is ignoring her, her cat-like familiar has moved out of her home, and her family life is in chaos. (Really -- what octogenarian grandmother decides to get married -- and with orange-and-silver bridesmaid dresses?) Jane stakes everything on one last-ditch spell -- only to find that magic has a way of making its own complications. Whats a modern witch to do?
