

Magic & Mayhem, Books 1 - 3

On her sixteenth birthday, Emily Rand discovers she is a witch. But with no experience, every single spell she tries to do results in complete mayhem. Together with her crow Familiar, she accidentally raises zombies, corporealizes a ghost, sets things on fire and even ends up floating. Not to mention meeting hot werewolf Aaron Fletcher, who desperately needs Emily's help. Just so long as she doesn't blow the town up first...
