Global Goings On Introduction: Jump Right In Youve come up on a house with rats running, and starving, dirty-diapered babies screaming. What a messand what to do? Burn the house down? No. You go out on the highways and byways hollering, Hey

yall; we got to get more babies in here so theyll be safe!!! Right? [Cause the sign out front reads church.] safe!!! Right? [Cause the sign out front reads church.] Our kingdom-on-earth bottleneck is not between the lost and found, between the lost and babyhood. The bottleneck is between babyhood and parenthood. We need real mature men and women who will shoot rats and provide a loving, learning spiritual family environment for spiritual newborns and growing younguns all the way to spiritual maturity and leadership. Thats what this book is about. (1) Getting rid of church rats biting on the babies and stealing their grow-up stuff. (2) Lovingly and firmly protecting and commanding them into living out all things Jesus said to do. God will, it is true, eventually be forced to torch some of these rat house churches to the ground to rid the whole earth of rats, but thats his job, not ours. Ours is to love the babies and raise them up to be rat killing, baby making and soldier-forming mamas and papas, women on earth one with New Jerusalem above who is our Mama, and men on earth one with her Husband, who is our heavenly Papa. Consuming Fire (our God) will take care of the restwhen HE gets ready. The Scriptural foundation and environment is critical. The first thing we need to get corrected is that church does not cut it in this department. We use the word church a lot. Dr. Daniel Justers following thoughts on the word church are helpful : It is important to understand this new apostolic perspective in launching the body of believers, which came to be known as the Church. The center of history became the kehillah (congregation in Aramaic or Hebrew) of Yeshua (Jesus). Upon this rock I will build my [kehillah] congregation; and the gates of hell shall not prevail against it Matt. 16:18 KJV). The disciples did not understand the implications of what Yeshua was saying in this verse in Matthew. He was creating a people from all of the worlds nations that would be a manifestation of his Kingdom. The

terminology used in the body of believers today is so skewed that
