

Mama, You have a Bald Head! Thriving in the Face of Breast Cancer

Mama, You have a Bald Head is a memoir about a resilient woman who in the face of adversity used love, humor, family and friends right through to her recovery. Seemingly healthy, and at the mere age of 31, working and thriving Lisa Phillips was shocked to receive a breast cancer diagnosis. Throughout her journey, Lisa comes to terms with everything that life throws her way and consistently uses humor and positivity. This memoir is written with raw honesty and poise and will inspire readers to laugh, love and live each day with spontaneity and appreciation.
