

Cats, Gondolas and Valentines: Minas very short adventure... (minas adventures Book 0)

Its Valentines Day Eve and Mina is in Las Vegas for a conference about shelters and refuges for abandoned cats. And the conference is at The Venetian Hotel. Love is in the air. Unfortunately so is the love of her life, Diego, who is flying to a distant meeting. Or is he? Cats, lovers, gondolas on and off the tracks. A bride, definitely off the tracks, and Sin City, the perfect blend for a Valentines Day read. .
