

The Vampires Captive: BBW Paranormal Romance (Pleasantly Bitten) (Volume 1)

BBW In Trouble+ Sexy Vampire Alpha + A Wild Mating Trap= Painfully Pleasurable Love Bites! Jenny has never had much luck in the past with men, so even though this mysterious, handsome hunk saves her from her abusive ex-boyfriend, she knows better than to expect much from him: outside of the movies, a man saving a female must want something from her, right? But when she agrees to stay with this dangerously sexy saviour, Patrick, she least expects him to be vampire who would stop at nothing to claim her as his mate for all eternity! Forced to remain with this devastatingly hot alpha and annoyed by everything from his patronizing attitude to his cool demeanor, Jenny nevertheless cant help but feel attracted to this mysterious man of the night. After all, Patrick is one of the most gorgeous men she has ever seen, and he sometimes shows himself to be such a romantic. But it would be madness for her to agree to be his mate...wouldnt it? As for the tough alpha, he finds his destined mate to be absolutely infuriating she clearly doesnt know what is best for herself, so why doesnt she quit being stubborn and let him take care of her? After all, he is offering her a long life of luxury and pleasure; why isnt the curvy beauty interested? Stuck together under one roof, the two souls go head-to-head but slowly find themselves falling in love with each other in a passionate romance to last the ages!
