

## Marriage Reinvented

To love, honor and betray... After surviving the painful disintegration of her marriage, Alexia is finally ready to follow her dream. When she applies for a patent on the product shes invented, she discovers someone has beaten her to it--her ex Jesse, the man she once loved beyond measure. The double-crosser is holding her patent hostage until she agrees to give their relationship another shot. Till passion do us part... Jesse wants to get back whats his--Alexia. The deal is simple. If she lives with him for three months, hell sign over the patent. But as the undeniable heat between them explodes, old hurts and new secrets surface, compromising everything they thought they knew about themselves and their marriage. For as long as we both shall clash... Suddenly, the deal becomes a desperate battle to hang on to the only woman Jesses ever loved--and shes not interested in another broken heart.
