

Mate Set (Mating Heat) (Volume 1)

Its werewolf mating season. All the males are in heat, and the driving sexual lust of their beasts is almost uncontrollable. When Mika finds herself trapped in an alley, surrounded by four horny werewolves, she knows shes in deep trouble. Until a tall, handsome werewolf rescues her then demands payment. Hot, sweaty, intimate payment. Grady is a half-breed whose human mother abandoned him to his werewolf father, so he knows human women just aren't safe to fall in love with. The wolf within him wants Mika as his mate, but Grady will not give in. Never. Ever. Hes willing to fight his emotions and his beast, no matter how much sexy Mika tempts him. But neither of them expected her Uncle Omar to assign Grady to protect her from other males^{24/7}, in her home, sleeping just down the hall. Mika decides to make the best of her vacation and keep the hot wolf in her bed. Grady can't resist the scorching sex, but he is determined to resist the bond.
