

## Toughened: A Vegas Nights Novella

Heidi blinked awake in a gorgeous bedroom of deep forest green, moonbeam silver, and veins of gold. An expensive penthouse perched high over the Las Vegas Strip. Aedans penthouse. Did this mean that her worst fears had come true? Was Aedan somehow involved in the chaos of degradation she had sworn to bring down? Half of all authors proceeds of all Ophelia Sikes books benefit battered womens shelters. Toughened is the second novella in the Vegas Nights series. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. Vegas is a spectacular place. Ive been there many times. Its a world of exploring exotic fantasy and releasing submerged desires. It boasts gorgeous, jaw-dropping artwork and bass-pounding nightclubs. But Vegas is also a place with its dark side. Many are lured in by the bright lights and become lost in the shadows. One only has to look at the beggars lining the bridges, or the homeless found only blocks away from the shine of the strip, to see what can happen when gambling, drugs, drinking, and other vices run their course unchecked.
