

McMaster the Disaster Trilogy

The entire McMaster the Disaster Trilogy in one volume. Includes: Bridesmaid Lotto - Book 1 in the McMaster the Disaster series. Josephine McMaster is pretty and smart, but very much a klutzy mess. Finally, at 26, she may have actually lost the dreaded McMaster the Disaster nickname that has followed her around her whole life. Josie is quite content to be single, much to her mother's disappointment. So when a bizarre contest is announced where a socialite is holding a lottery to pick her bridesmaids (and rake in a little extra cash), she can't roll her eyes fast enough, even if it does mean meeting Jake Hall, her one and only movie star crush. Obviously, Josie doesn't enter the bridesmaid lottery, so you can imagine her surprise when her picture pops up among the winners, thanks to Mom. With a little prodding -- okay bribing -- Josie agrees to participate. The wedding turns into the event of the year, and Josie finds herself in the middle of a paparazzi feeding frenzy, which gets even crazier after Jake Hall takes a special interest in her. Can Josie handle the pressure in the spotlight? Is it possible she might really have a chance with Jake Hall? And if she's busy worrying about all that, how in the heck is she going to keep McMaster the Disaster from showing up in front of the entire world? Gamble on Engagement - Book 2 in the McMaster the Disaster series. Josie McMaster is on the move to London for a top-secret stint as a ghost-biographer for a high profile celebrity. It's her dream job; she's got a beautiful place to stay in the English countryside, full access to the celebrity, and three months to complete the best ghostwritten autobiography anyone has ever seen. In true McMaster the Disaster fashion, Josie tumbles head-first into scandal, apparently more than just an average ghostwriter in the eyes of this new celebrity. Not to mention she has never written a biography, but how hard could it

really be? Of course, the paparazzi isn't helping matters, constantly publicizing the when will Jake Hall pop the question betting pool, which is completely ridiculous considering she and Jake have only been dating a short while..... or is it? The Wedding Wager - Book 3 in the McMaster the Disaster series. Josie's back and she's getting married! Except, how is she supposed to plan a wedding when her mother and her best friend Mattie both think they're the designated wedding planner, and none of their ideas are remotely similar? Mom wants super-traditional and Mattie wants... well, the complete opposite. And that's not all Josie has to deal with. The gossip hounds are as invasive as ever; setting up polls on everything from what shoes she'll wear to when the divorce will be! Can't a girl at least get married first? But the marriage is threatened when the Disaster Diary provides Josie with an opportunity of a lifetime and the real question becomes: with the stakes so high, is Josie willing to risk it all and take a chance on herself?
