

The Wisdom of Walk-Ons: 7 Winning Strategies for College, Business and Life

The Wisdom of Walk-Ons tells the true stories of three unrecruited college football players who against overwhelming odds played for some of the greatest programs and Hall of Fame coaches in history: the Alabama Crimson Tide with Paul Bear Bryant, the Notre Dame Fighting Irish with Dan Devine, and the Southern California Trojans with John Robinson. Former walk-ons Gordon Adams, Bob Bleyer, and Alan Pizzitola graduated from these storied universities in the 1970s and 80s with academic honors, national championship rings, practical skills, and a collection of winning strategies that helped them persevere and succeed in business and life in their 20s, 30s, 40s, and 50s. All of us can apply this walk-on wisdom and become more successful and fulfilled in our professional and personal lives.
