

## R Is for Rebel: ...and Royalty, Relatives, Reality, and Running from love... (Unruly Royals Book 4)

Being royal isn't all it's cracked up to be... Abigail Heyworth, youngest daughter of the 18th Duke of Northrop, is not your typical British royal--she'll take a recycling drive over a charity ball any day. She can't stand hats and heels. Abigail's not getting much sympathy, of course, because everyone thinks the life of royalty is so charmed. But to Abigail, keeping up appearances is unbearable, while running away doesn't seem to work either. Just when she feels like she's getting whiplash from swinging between flat-out rebellion to miserable capitulation, Abigail meets an all-American self-made millionaire who challenges her on every level. It may turn out that what Abigail is searching for kind of resembles the American Dream...
