

Messianic Jewish Manifesto

Messianic Jewish Manifesto offers an ideology, theology, and program for Messianic Judaism. - A challenge to both Jews and Gentiles who honor Yeshua (Jesus) as Israel's Messiah and others involved with the movement catch the vision for its destiny, which is to heal the split between the Church and the Jewish people. - Simultaneously 100% Messianic and 100% Jewish, we reject the either-or demanded by many Christians and Jews. Messianic Judaism is right, a radical solution, an idea whose time has come. - A call to action for Messianic Jews and a source of information for others, whether in favor, opposed, or just curious.
