

Magical Redemption [Midnight, New Orleans Style 2] (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Paranormal Menage a Trois Romance, M/F/M, HEA] When five college friends reunite, one night changes their lives forever. Dani O'Brien is an introverted astrophysicist who spends most of her life staring at the stars and never allowed other people's opinions to dictate her life. Her four best friends are the closest she has to sisters and their annual gathering to celebrate a friend's life is one of the highlights of her year. Identical twins Gavin and Maddoc McDryw are Druids with the ability to influence the energy that every living being emits. They alienated themselves from their clan after allowing a woman they thought they loved to manipulate them. The brothers can't figure out why they are so drawn to the quirky human but the longer she's with them the stronger their feelings for her become. But, not everyone is happy with this burgeoning relationship. As negative forces tear them apart, can they trust in the magic of love to hold them together? ** A Siren Erotic Romance
