

## Millennial Civilization pamphlet 6 (Scriptural Zionism & The Great Tribulation Book 1)

Pamphlet 6 of the Millennial Civilization series of 104 pamphlets reveals the solemn apocalyptic verses found in the Book of Isaiah, chapter 24. The end of one era gives birth to the beginning of a following era; The Great Commission, after 20 centuries of poured-out global, apostolic effort has brought us to the next era of Messiah Emmanuel's Millennial Civilization. This pamphlet endeavors to further help the reader to understand that Almighty God's wrath (Isaiah 13:11) is purely contingent on individuals' behaviors; sanctification distinguishes (Malachi 3:18) God's Chosen Judeo-Christian People from the extreme majority of those whose vice behaviors are primarily consumptive and compulsive. The Day of the Lord, On that Day, In that Day ... these three expressions are written about 113 times by the Jewish prophets of Israel. Since the 1948 War of Independence to the Battle of Armageddon we will have eyewitnessed eighty (80) years of turbulent human history that has finally brought us to the Obedience of the Nations (Genesis 49:10). All peoples who are of God will stream into the blessed, Zionist State of Israel. Tsiyon is the proper, transliterated Hebrew word that is somewhat lost in translation as a four-letter Z word in English. Tsiyon is the geopolitical Center of God's Plan for all peoples, from all nations. The saints (Daniel 2:44, 7:18, 7:27, 12:2,3) will now, in our immediate future, congregate at the Millennial Temple (Ezekiel 43:7, Isaiah 2:2,3) in Jerusalem. AMEN.
