

The Black Sheep Sheik (Mills & Boon Intrigue) (Cowboys Royale, Book 6)

Waking up from a coma in a remote Wyoming cabin, Sheik Amir Khalid thought he was dreaming when he laid eyes on the woman he'd spent one steamy weekend with. Dr. Isabelle Andrews was every bit as gorgeous as he remembered and nine months pregnant. But when shots rang out and it was clear their hideaway had been discovered, Amir's questions had to wait. Desperate to keep Isabelle and his unborn baby safe, Amir vowed to personally guard them 24/7. And as the independent beauty fought him at every turn, he knew it wasn't just royal protocol that made him want to keep her by his side. He'd give up everything that was expected of him if it meant protecting the family he'd only just met. Including his life.
