

To Blackmail a Di Sione (The Billionaires Legacy)

When youve finished making offers for the bracelet, I have a proposition for you. Billionaire Liev Dragunov has spent a lifetime plotting revenge against those responsible for his familys ruin. Finally he has the way: Bianca Di Sione. Shes denied their obvious attraction and coolly rebuffs every request to work for him until he finds her weakness: a diamond bracelet she desperately needs! Bianca must become his fake fiancée if she wants her trinket! But the taste of revenge isnt as sweet as desire, and Liev discovers that she is innocent in more ways than one.
