

SEALed with a Kiss (Mills & Boon Blaze)

A woman on a mission Thanks to her distracted sister, hotel owner Rachel Sutherland is now alone to greet uber-hot Navy SEAL Riley Wilkes as he disembarks from his ship. But when Riley scoops Rachel into his arms for a hot, combustible kiss, Rachel wonders if she owes her sister a big favour Now Rachel is reconsidering her stance on bad boys especially those of the Riley Wilkes variety. In fact, a naughty fling could be just what the doctor ordered. Because the only thing better than a Navy SEAL in his uniform, is a Navy SEAL out of his uniform
