

Bachelor Cop (Mills & Boon Vintage Superromance) (Count on a Cop, Book 44)

There's a reason his cold case colleagues call him Randy Randy Railsback. And he's never been ashamed of his reputation with the ladies. But he is surprised by his intense reaction to Helena Norcross, one of his defense class students. He usually steers clear of women who aren't sending the get-to-know-you-better vibe. So what is it about Helena? The English professor is clearly bent on revenge against her perpetrator, but Randy's research leads him to believe the guy's crimes are escalating. Not on Randy's watch, buddy. Because for the first time in his life, he's fallen hard. And nobody's going to hurt the woman he loves.
