

Mind Maps at Work: How to Be the Best at Your Job and Still Have Time to Play

Tony Buzan has used his patented Mind Maps system to teach millions of people around the world how to unlock the infinite creativity of the human mind. Now Buzan has created Mind Maps at Work, a practical guide to achieving workplace success and satisfaction. Mind Maps are a revolutionary thinking tool: a visual and colorful form of note-taking that unleashes our creative and logical sides simultaneously. Incorporating a number of high-profile success stories including the impressive results that Buzan's system has yielded for companies like Boeing, Con Edison, and Apple Computer Mind Maps at Work guides individuals, work groups, and companies large and small to plan and strategize effectively, solve problems creatively, and recall facts easily, maximizing every individual's creativity and productivity.
