

## Beware Of Me (Dark Obsession) (Volume 4)

Walk on the wild side with New York Times and USA Today best-selling author Cynthia Edens dark new romantic suspense, BEWARE OF ME. Criminal. Killer. Monster. Ethan Barclay has been called many things in life, and he usually doesn't care what people say about him. He's tough, hard, and brutal when he needs to be. But even the most dangerous of men can have a weakness. Ethan's weakness has and always will be Carly Shay. Their pasts are tied together, twisted and melded by blood and death. Walking away from Carly was the hardest thing that Ethan ever did, but it was also his one good deed. He knew Carly deserved far better than him, and he wanted her to have a perfect life, a life that didn't involve paying for Ethan's sins. Only now the secrets from their past have been revealed, and Carly's life is on the line. Ethan's enemies, Carly's enemies—the predators—are closing in on them. But Ethan isn't going to let Carly be threatened. He will move heaven and hell to protect her. He won't lose Carly, not again, and for those foolish enough to try and take her from him, they are about to see just how deadly Ethan truly can be.
