

## He Wants It, He Gets It (Full Series)

Emma Allred is usually polite and well-mannered, but when the rudest customer shes ever met walks into her diner, she cant help but lose her temper. A heated encounter turns into her worst nightmare when she finds out the jerk who shes thrown coffee on is none other than billionaire CEO, Dante Caito. Hot, sexy, and demanding, Dante gets whatever he wants, whenever he wants, and hes not about to let little Emma get away without a lesson. Even if it means purchasing the diner so that she loses her job or buying out her apartment complex to demolish her home. Hell stop at nothing to get her revenge-- simply because he can. But Emma isnt about to back down without a fight. Just because Dante is worth billions, doesnt mean that he can ruin her life. Dante just might have met his match. Theres something about Emmas fiery nature that draws him in... He finds himself determined to have his way with Emma, inside and outside of the bedroom. And he will. Because when he wants something, he gets it.
