

Sweet Recovery (Ex Ops Series Book 4)

He broke her heart now he has to pick up the pieces. Lucas Young met the woman meant for him when they were just children. He spent years pushing the sweet, innocent Ginny away for one reason or another instead of claiming what was his, breaking her heart in the process. Five years later, he runs into Ginny, only he no longer recognizes the person she has become. The good-hearted, free-spirited girl he loved is now a shell of who she used to be, living the sort of life she never wanted. And Lucas is driven to find out why. However, uncovering Ginnys secrets will prove to be dangerous for them both. Will he be able to piece back the broken woman who used to love him with every fiber of her being? Or did he push her away for good? Warning: This is the second book (50,000+ word novel) in a three-part serial spin-off from the Ex Ops Series. Each of the three books will feature a piece of Lucas & Ginnys story and leads directly into the next installment. IN OTHER WORDS, THIS STORY ENDS ON A CLIFFHANGER. Also, be forewarned this story will make you laugh, cry, and possibly throw your e-reader at the wall... AGAIN. Included in the back of this book are four excerpts for your enjoyment: Abbie Zanders Guardian Angel, Ryan Micheles Ravaged, Chelsea Camarons Heated Ride, and Lani Lynn Vales Flash Point.
