

Red: Modern Wicked Fairy Tales: An Erotic Suspense Romance

In this modern version of the fairy tale classic, recently orphaned Mae finds herself taking care of her ill grandmother and trying to negotiate the big, wide world of New York. Aside from Griff, a drifter she befriends on the long walk to her grandmothers, she is alone, a frightened country mouse in the big city. Mae can't believe her good fortune when she meets Lionel Tryst, a charming and charismatic real estate agent, who arranges the miraculous sale of her grandmothers expensive apartment, in the horrible buyers market of the Great Depression, so they can both move out of the city. But is Mae's luck too good to be true - or is there a big bad wolf lurking in the shadows?
