

Billionaire Romance: Bought By A Billionaire (Book Three)

From Amazon Bestselling Author, Lexi Duval, comes a delicious new billionaire erotic series, Bought by a Billionaire! Waking up in hospital isn't always great, but when you're greeted with a face from heaven it's not so bad. Having never expected to see the gorgeous alpha male billionaire, Jason Slater, again, Brooke finds that he's spent the night by her bedside, watching over her like a guardian angel. Gradually, that one night they shared together morphs into several and Brooke gets to experience the man night after night. Just when she thinks things are going well, however, she discovers that he's got a secret, and that their relationship has, to him at least, been nothing more than sex. Or has it? With her focus returning to her new business venture, Brooke soon finds out the truth about billionaire Jason Slater. And it's a truth that, one way or another, will change her world forever... PART THREE of THREE. Readers should be 18+ for sexy scenes and swearing!
