

Weather the Storm (Security Specialists International) (Volume 3)

Research librarian Elana Fabrizzio was in the wrong place at the wrong time. While working her late night shift at the library, she overhears a man hire a mercenary to kill Keely Walsh-Maddox and other Security Specialists International operatives. Things go from bad to worse when the man kills a student and a security guard on his way out of the library. SSI operative Vanko Petriv is in New York City on holiday and is redirected to Washington, D.C. to become Elanas personal security. Turns out the man she overheard is the traitor SSI has been pursuing for quite a while. Her eyewitness testimony would eliminate the treacherous thorn in SSIs side and rid the intelligence community of a traitor once and for all. Vanko is instantly attracted to the courageous Elana and vows to make her his. Elana is surprised when shes attracted to Vanko. Bad past experiences have made her leery of dominant men. When another enemy from Elanas past appears, Vanko does what is needed to keep her alive. Their burgeoning attraction is threatened from all sides, but true love weathers any storm.
