Using the wisdom of the Bible, research, and personal stories, MONEY LIFEHACKS presents six key personal finance solutions and explores:

- \* How money plays a part in National Gross Happiness
- \* The truth about money and evil
- \* Our right to choose how we spend
- \* The lure of debt
- \* Living for the moment
- \* Giving and receiving

Whether you're just starting on your financial journey or you've spent years struggling paycheck to paycheck, this easy-to-read book will inspire you to view money in a different way, ultimately pushing the reset button on your personal finances.
