

Moonlight Savior (Ashton Grove Werewolves Book 6)

Ramsey has returned to Ashton Grove with Luna. They're only friends, but she wants to be much more, and she isn't shy about letting people know. Knowing that Ramsey doesn't want her, Luna will stop at nothing to make him her own. But Ramsey has someone else in mind as his mate. When he meets his best friend's sister, he can't take his eyes off her. While having Harper by his side is wonderful, they have a bumpy road ahead of them. Especially when a werewolf from her past moves to Ashton Grove.
