Moonlight Protector Ashton Grove Werewolves, Book 1 Cole Andrews, biologist by trade and werewolf by blood, is tired of being alone. He and his two brothers live in the large Victorian home that had belonged to their parents. He always wanted to find his mate and start a family. Now that he's in his thirties, he's starting to give up hope. He's already seen all of the women available in his small town of Ashton Grove and so far none of them are the one. Marin Thomas is fleeing for her life. After being abducted and held hostage, she is determined to escape the maniac once and for all. Stealing his car, she travels as far and as fast as she can - until a car accident lands her in some woods near Ashton Grove, Georgia. Fighting for her very life, she finds herself begging a wolf for help. Is Marin the mate that Cole has been waiting for? Or will she end up with one of his brothers? One sniff tells him that she belongs to his pack. The only question that remains is who will win her heart?

Moonlight Hero Ashton Grove Werewolves, Book 2 Alpha werewolf Gabriel Andrews is stunned when his mate comes bursting through the door of his garage. Running from a ravenous vampire, Kiera is happy to see the hot mechanic. A confrontation between the couple and the vampire forces Gabriel to announce Kiera as his mate. When the vampire throws down the gauntlet, demanding that Gabriel and Kiera marry in order to prove that she's really the alpha's mate, Gabriel is only too happy to agree. Kiera on the other hand has her doubts. Coming from a small town in Tennessee where werewolves do not associate with other shifters, the little werewolf can't believe that Gabriel could really want her in his life. Will these two have a happily ever after? Or will Kiera's past life and an angry vampire keep them apart?
