Sex Addicts
Had A Deal
It Didn't Include Falling in Love...
25-year-old Loraine Wynters has always been in control. She takes what she wants, from a new man every night- and leaves. Too bad this has cost her her last job and landed her in the local sex addicts support group where she is certain she doesn't belong. Within this group of weirdos, she sees a familiar face. Richard Mahoney may be the gorgeous 30-year-old, successful owner of Table 21, but he has lost more than Loraine could ever imagine because of his obsession. After learning all her secrets, Loraine's new boss Rick is determined to fix her with his own brand of therapy. After digging deeper, Loraine finds that her boss needs more than just physical healing. Can they repair each other so they can be with other people? With both Loraine and Rick longing for a normal life, will a pact between them be the answer to both their problems? Or are they getting in too deep? This is Book 1 of the complete series (Table 21). Following it are Never Too Late (2) and Love Too Hot (3) or read in In Too Deep - The Complete Series
