

The Hunters Prey (The Fay Morgan Chronicles Book 5)

In the fifth novella in The Fay Morgan Chronicles, Morgan le Fay and Merlin have spent the last two months making an arsenal of wicked and clever spells as they prepare for their treacherous journey into Hell. When one of those spells gets destroyed, one that took weeks of their labor, they emerge from Morgans Ephemera beyond exhausted. What are the worlds most powerful witch and wizard to do, but get some street food at Pike Place Market. In the middle of the market they find themselves drawn to a mysterious sign drenched in magic and danger. It speaks of a hunt, and leads Merlin and Morgan on a strange journey to a place full of the deadliest supernatural creatures on Earth. Everyone is gathered for the hunt, but who is being hunted, and what is the prize they are all competing with each other to win? Morgan takes a twisted path full of peril and sacrifice, and gets answers to all the questions she didnt even know she should be asking. The Hunters Prey is part of an urban fantasy series. Fans of The Dresden Files and The Lily Harper Series should enjoy this series.
