

Anyone But Him

Whitley Hayes is an ordinary girl with a gypsy heart. College is the only constant in her life. Shes made a lot of mistakes and she intends on keeping them in the past. Move on and forget. Thats her motto. Jennings Cohen is no ordinary mannot at all. He would have never imagined his life would turn into such a spectacle. The tabloids exploit him, fans stalk him and the paparazzi are relentless. Its not always fun being Jennings. It doesnt help that he has a secret. One that comes at a price hes not sure he can pay. Relationships get complicated and hearts shatter. Its not easy living a lie, but its easier than telling the truth.
