

Must Love Dogs: New Leash on Life (Volume 2)

Claire Cook's most enduring characters are back in Book 2 of the Must Love Dogs series! Life after divorce for Sarah Hurlihy used to consist of juggling her job as a preschool teacher with the demands of her interfering family. But after a rocky start, Sarah and John Anderson have shared six months of dating bliss. Now their relationship is basically on hold because Sarah's brother, Michael, and his dog, Mother Teresa, are staying with her. And John's new puppy, Horatio, hates Sarah. With a passion. Michael hopes absence will, in fact, make his wife Phoebe's heart grow fonder. Sarah hopes she can do her sisterly duty and send Michael on his merry way before she ends up single again herself. John hopes Sarah and his puppy can work things out before it's too late. Sarah's bossy big sister, Carol, hopes both Michael and their father will start dating again. When Phoebe packs up their daughters and heads home to Savannah, Georgia, Michael follows her from Marshbury, Massachusetts, and the Hurlihy clan tags along for reinforcement. Including Dad, who has finally upgraded his Smith Corona to a laptop and already has a date with a woman named Sugar Butt.
