

Texas Kissing

Staying single is how I stay alive--its rule #1 for hiding out. But now Ive met Bulland he doesnt follow rules.A standalone New Adult Romance with HEA. No cliffhangers! This is a lighter read than Punching and Kissing with more humor and steamy scenes.Lily - To escape my uncle--one of New Yorks most dangerous mob bosses--I had to create a whole new life. I became an expert forger, fled to Texas and never let anyone get close to me again. I didnt figure on having my life saved by a huge, muscled cowboy. Hes arrogant, stubborn and hes the local stud...so why is he interested in a curvy girl like me? And if he annoys me so much...why cant I stop fantasizing about him? Bull - As soon as I saw her, I knew I had to have her. Lily had curves that didnt quit and too many goddamn secrets. Well, I was going to uncover every inch of her...
