

The First Rule of Fat Club: heart-warming short stories

The first rule of Fat Club is: You do not talk about Fat Club. The second rule of Fat Club is: YOU DO NOT TALK ABOUT FAT CLUB. When Cathy catches sight of her reflection in a shop window, she knows she has to do something about her weight. Fat Club beckons, but it has to be kept a secret from Cathys svelte and glamorous friend Linda who now lives in Australia, and is coming for her first visit for twenty years. When the friends finally do meet up, however, its Cathy whos in for a shock... Most of the eleven stories in this collection were originally written for a variety of womens magazines. Each story is a perfect coffee break length and can be enjoyed at any time, but is the ideal accompaniment to a cup of coffee or tea and a biscuit (or cake!) as part of a well-deserved break in a busy day. Theres something for every mood: humour, romance, a ghost story and even a couple of touching wartime tales of quiet heroism. Even better, all the stories in this book are guaranteed completely calorie-free! Enjoy!

Note from the author: As a special bonus, you can also read the first chapter of my second full-length novel DAYDREAM BELIEVER, due to be published in full in 2013. If youve enjoyed this book, please check out my full-length romance HAPPY HOUR, available now on Amazon Kindle.

Reading HAPPY HOUR was like drinking champagne; it was bubbly, effervescent, and left me feeling warm inside. Amazon.com review
