

## Believed (My Misery Muse Book 4)

Once upon a time Jules believed in fairytales, prince charming, and happily ever afters. The past year had destroyed those illusions though. Being plunged into a life she never wanted or planned for has a way of removing the rose tinted glasses. Sam always new life was nothing but a struggle, now watching his family fall apart he was taught once again, there is no such thing as a happy ever after. Its best to stay away from entanglements, because all it ends in is pain for everyone. Thrust together while facing a past theyd rather forget, and a future built on a deck of cards, can they find their happily ever after, after all?
