

Desire So Sweet: The Bad Baker Boys: The Beginning (Book 1)

He thought he was a monster... Jed Baker was a man who had lived through hell and had the internal scars to prove it. Then he met an innocent girl who gave his troubled soul peace, but he couldn't bear to taint her sweetness with the demons that drove him. She knew he was a hero... Ginny Lawson lived under the control of an abusive father who used her gentle nature and tender heart against her. She longed for someone to love her enough to save her, and when Jed rolled into town she knew that her hero had come.
