

MYSTERY SUSPENSE: The Mancini Saga - Carlo (The Mancini Saga Mystery Suspense, Thriller, Romance, Psychological Book 1)

THE MANCINI SAGA. A family of six close Italian siblings each has a compelling story of romance, danger and mystery that could tear them apart or bring them together. What if you escaped from a cult and found yourself alone on the streets of NYC. Twenty-seven-year-old detective Carlo Mancini is your average do-good kind-of-guy with an insatiable appetite for justice. However, Carlo has one personal setback: his inability to let a senseless crime become a cold case. His obsession to uphold the law has led him on a ten-year, dead-end search for the infamous IOU thief. Twenty-six-year-old Mia Baker lives a normal life: a quaint apartment overlooking Central Park, cherished friends, and Pirate, her one-eyed cat. To most people, Mias life seems perfect; but to Mia, that couldnt be further from the truth especially when her disturbing past comes back to haunt her. When Detective Mancini bangs on Mias front door, he has no idea he will soon unravel some disturbing truths about himself, and the woman in front of him. One chance encounter can destroy the very fabric of their woven lives when Carlo realizes reality is not always black and white ... Especially when secrets are involved. Check Out What Others Are Saying... An excellent story with lots of action to hold your interest.
