

Nanny in Hiding (Mills & Boon Vintage Cherish) (Silhouette Special Edition)

WELCOME TO MORGAN CREEK Population 5445, where Amy Jordan hoped to make a new life for herself and her young daughter, far from her vengeful ex-husband. So when the towns most eligible single father offered her a job as a live-in nanny to his two daughters, it was the answer to a prayer. Until her feelings for the sexy widower threatened to blow her cover. To Bryce Hathaway, hiring the captivating single mother was a win-win all around. Amy was great with kids and his sprawling extended family not to mention the effect she was having on his libido. Somehow, he had to convince her to trust him with her secrets and take their love out of hiding for a future together worth any risk.
