The best way to get rid of painful and negative emotions is to let them go. Learning to let go of the emotions is extremely difficult. Letting go of emotional suffering associated with negative emotions is not the same thing as letting go of the emotions themselves. Letting go of the suffering is a process that we can learn. What we are talking about is dealing with these emotions in a new way that will relieve some of the suffering that goes with them. By looking at your emotions, you are exposing yourself to them, looking and describing, not necessarily acting on them, and not being swallowed by or overwhelmed by them.
