

Within a Heartbeat (Enchanted Ever After Book 3)

When Richard saw Rose for the first time, he instantly fell in love with her, but since he is a vampire, he is not allowed to approach her. All he can do is watch Rose live her life with her abusive husband from a distance. But when the day of her death comes, Richard can give her a choice. Either die or become a vampire and spend the rest of her eternity with him. Will she choose him, or will she choose to die?? Enchanted Ever After is a series for those who enjoy reading short stories about love, passion, and supernatural beings like elves, angels, and vampires. Each book can be read as a stand-alone.
