

# Names and Faces Made Easy: The Fun and Easy Way to Remember People

Tangible, you can learn and remember more than you ever thought possible. Learn anything without the drudgery of rote memorization! A total of eight revolutionary learning techniques are discussed and illustrated to insure that every learning challenge can be overcome through the use of this hard back reference guide. Under the campaign Learn at the speed of sight with Jerry Lucas Doctor Memory, this book By teaching your mind to make intangible names tangible, you can learn and remember more people than you ever thought possible. This fun and often humorous technique has been successfully demonstrated by Jerry Lucas on live, nationally syndicated TV programs. Jerry has used this technique to remember the last names of in excess of 400 people at a time and never missed a name. Countless others have tried the technique and discovered that with just a little bit of discipline, they too can do it!
