

Never Is a Promise (Never Series Book 2) (Never Say Never)

The stand-alone follow up to AMAZON TOP 100 best seller NEVER KISS A STRANGER on sale for a limited time only! Country music god Beau Mason has just announced his retirement from the business at age 30, and I've just scored the interview of a lifetime. My network is flying me to Kentucky for his final interview, and at his request, I'll be spending a few days with him at his ranch. I should be thrilled. But I'm not. Beau and I have a history, and I haven't seen him since he obliterated my heart at the tender age of eighteen. I don't think I can do this. I don't think I can see him again. But I don't have a choice. My career my promotion my dignity. Everything rests on this one interview with the man who turns me into liquid desire and corded steel resentment all at the same time. It's just a few days, right? What's the worst that could happen? PLEASE NOTE: This is a stand-alone, full-length romance novel with NO cliffhanger. Contains a dominating alpha male hero and scenes of a sexual nature. Please be 18+. You do NOT have to read NEVER KISS A STRANGER first, though it is based on a secondary character from that story and may contain minor spoilers.
