

Never Understand Part One (Johnthen Trent Trilogy Book 1)

This is the FIRST PART of Never Understand, the acclaimed Trilogy from Miranda Mailer. The other parts are: Never Understand Part Two Never Understand Part Three: Never Explain - If you enjoyed 50 Shades and more especially Bared to You by Sylvia Day, you will love Never Understand. - The sex scenes just got hotter and hotter. I thought my Kindle was going to melt. Catharine K, Milverton ...Mr Dark and Mysterious offers his hand to help me up. Hes quite gallant in fact. His wrist is olive and strong and his fingers long and masculine. His watch is of an obscurely expensive Swiss make Ive never heard, worn elegantly relaxed, low on his wrist. The wrist has the dark suit the white cuff then the deep-tanned skin of a long-fingered, sinuous, male hand. I feel his power as he pulls me up. I can feel somehow that this hand is strong, yet its sensitive enough to hold mine with just the right pressure. It was a kind thing he did there, yet theres a scintilla of danger in his wealth and self-confidence When waitress and would-be actress, Jana Kidd, bumps into the sexiest man shes ever laid eyes on, shes tries to put the vision from her mind. The stranger in the dark suit is rich, powerful and just about the hottest guy in New York to boot. Hes out of her league. But when the dark, mysterious Johnthen Trent crosses her path again, and again, he compels Jana to take notice whether she wants to or not. Their passionate affair threatens to run away with Jana, and threatens to ruin her big chance to break into TV acting. Theres no turn-on quite like power and money, but Johnthen has the looks, the body and is an expert lover too. The thing is: can she trust the mysterious stranger? Questions and dilemmas begin to overwhelm Jana. Why is Johnthen so private and unpredictable? Who is his assistant, Carmen, who never leaves his side? Where did those

mysterious scars on his body come from? Above all, what is his connection with the sexy cult-rock singer from years before? Follow Janas steamy, rollercoaster relationship with Johnthen Trent, as she struggles to understand the real man beneath the ultra-cool, attractive exterior, while fighting to get her first break as a TV actress. ...He coolly places his drink on the bar, and leans over to me. Am I dazzled by his looks? Before I can think, his lips are on mine and his fingers are in my hair, on the back of my head. His mouth is cool, tasting exquisitely of the gin and lime and his lips are sweet and sensual. Tension and emotion are popping and conflicting all over my body, but his cool tongue is making me melt... - Never Understand is a steamy romance with a believable heroine and super-sexy man of mystery. The writing is excellent, the story enthralling and the sex scenes just got hotter and hotter, to the point that I thought my Kindle was going to melt. Johnthen Trent is no ordinary hot billionaire. There's much more to this story than that. If you enjoyed 50 Shades and more especially Bared to You, you will love Never Understand. Catharine K, Milverton - The story was captivating, I just had to read on, and the sexy bits were very well done, very much part of the story. Elizabeth, UK
