

## Heart of Ash (Tryst Island Series Book 4)

When Emily Donahue sets eyes on Ash Bristol, she is convinced he's the one she's been waiting for, her Prince Charming. But wealthy playboy Ash Bristol has been burned. He's sworn off relationships, vowing to have nothing more than a series of steamy one-night stands. So when he meets Emily, the most beautiful woman he's ever seen, he resolves to seduce her, possess her and walk away. The passion that ignites between them has him questioning his decision. He begins to suspect he just tossed away the best thing that's ever happened to him and vows to win her back. Can he survive the erotic punishment she and her friends devise?
