

Independence: #3 Claire (Volume 3)

Shane had sworn off the perky blonde types. He was scarred, big and had a tendency to snarl. Claire Woods was a blonde hidden beneath a bad wig and bulky clothing the first time he saw her. The second time he saw her, all previous self-warnings flew out the window. Claire wanted to explore and part of the exploration was at the club, Independence. She watched the various Doms and Dommes in action, trying to decide where she fit. Would Shane survive her final conclusion?
