

The Rubaiyat of Omar Khayyam (Classic Reprint)

This book has been written with a view to helping, if possible, those who, on their first introduction to Omar Khayyam, as interpreted by Fitzgerald, find difficulties in the way of understanding him. With Omar, as with most great poets it is the metaphysical side of his writing which chiefly interests and concerns us but his utterances appear so contradictory that at first they are even bewildering. I have therefore tried to give the result of my study of the poet in a form that may help readers who might otherwise grope in the dark to find his point of view. (Typographical errors above are due to OCR software and do not occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text. Read books online for free at www.forgottenbooks.org
